Justice, Peace and Integrity of Creation

August 2022

SEASON OF CREATION

The Season of Creation is a time to renew our relationship with our Creator and all creation through celebration, conversion, and commitment together. During the Season of Creation, we join our sisters and brothers in the ecumenical family in prayer and action for our common home.

The season starts 1 September, the Day of Prayer for Creation, and ends 4 October, the Feast of St. Francis of Assisi, the patron saint of ecology. www.seasonofcreation.org

Look for weekly bulletins through the daily email and pposts on the SND Facebook page to help you celebrate our beautiful world and to find ways you can contribute to its health and sustainability.

The Dicastery for Promoting Integral Human Development's Laudato Si' Action Platform is a space for institutions, communities, and families to learn and grow together as we journey towards full sustainability in the holistic spirit of integral ecology. www.laudatosiactionplatform.org

The SND USA Creation Care Team is working on generating ways which will help the community answer Pope Francis' call for individuals and communities to engage in actions that help heal and sustain our world. Stay tuned for more from the Creation Care Team.

The JPIC Advisory Council and Racism Committee are pleased to share that the action plan for the Corporate Stance Against Racism will be launched officially in early September.

This booklet contains the synthesis of all the suggested actions by the sisters, along with prayer, reflections and background information about the process SND USA engaged in to reach a Corporate Stance on this justice issue.

It will be made available in an electronic format on our website and hard copies will be available through your Community Coordinator.
